### ++++ALERT+++TRAVEL BAN+++ALERT++++

Dear Maney|Gordon|Zeller Clients and Friends

We know you are aware of President Trump's latest executive order concerning the travel ban from Syria, Iraq, Iran, Libya, Sudan, Yemen and Somalia.

Given the border incidents this weekend and the conflicting statements from the Administration, the media, and other information sources we take this opportunity to advise all our clients and friends as follows:

- Regardless of your immigration status in the United States, if you are from any of the seven countries listed above, do not travel internationally under any circumstance:
  - If you have an H-1B visa (or any other visa) and you were born in Syria, but you have Canadian nationality, you are from Syria.
  - If you are a legal permanent resident (green card) and you were born in Iraq, you are from Iraq.
  - If you are a United States citizen and an Iranian citizen, you are from Iran.
- Regardless of your immigration status in the United States, if you can "upgrade" your status, now is the time to do it:
  - If you are here as an employee with a work visa and your employer is willing to petition for your green card, ask him/her now to proceed.
  - If you are an employer who employs workers with visas, think about applying for green cards for your workers now.
  - If you are a green card holder, apply for your U.S. citizenship today.
